Report of Parent-Teacher Meet
Held on 07th October, 2022 at 01:00 pm

Date: 11/10/2022

As per Academic Calender 2022-23 Sem-I, this meet had planned after conduction of ISE-I exam. Hence Electrical Engineering Department had conducted "Parent-Teacher Meet" on 07th October 2022 at Electrical Measurement Lab. This meet aims at bridging the gap between parents, students and teachers, keeping parents inform about their wards performance and progress, discussed the causes behind the student behavior and performance.

❖ **Objective of Parent-Teacher Meet :-**

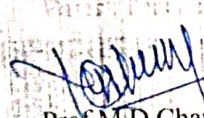

- To inform Parent regarding student's academic performance.
- To discuss student's previous semester University Result, current semester ISE-I result.
- Suggestions and feedback from the parents towards the better improvement of their ward.

❖ **Agenda of Parent-Teacher Meet :-**

- Welcome and introduction of teachers and parents.
- To provide information about student's attendance, student's ISE-I Result.
- Individual Parent Teacher Interaction.

Total 16 Parents of SY,TY and Final year Electrical Engineering students have attended this Parent Teacher meet.

Sub: Invitation to deliver an expert lecture on "Youth Empowerment."

Respected Sir,

You are aware that rapid technological changes are taking place in the field. The industrial people expect that the engineering students should be aware of these changes. To make our students aware about these changes, we have arranged a series of expert lectures for All Engineering Students. Experts from engineering / science / Industrial Management field are invited for lectures.

As you are requested to deliver expert lecture on 02/05/2023, Tuesday at 01:00 pm for our all First Year branch students and Final Year Electrical & ENTC students. Your guidance will be most valuable to our students.

Hope, you will accept the invitation and guide our students.

Thanking you in anticipation.

Yours Faithfully,

Principal

Received for
acceptance.

ACTIVITY REPORT ON "Expert Lecture"

1. Preamble

Institutions Innovation Council (IIC), Brahmdevdada Mane Institute of Technology, Solapur has planned, students. In off line mode in subject on "Youth Empowerment" organized by Institution Innovation Council (IIC) in association with **Electrical Department** on 02/05/2023, Tuesday at 01.00 PM onwards via Offline

2. Objective-

Students should be able to understand quality, confidence knowledge

3. Way of delivery

The session was delivered by offline mode through ---

TIME- 01.00 PM onwards

Date: 02/05/2023

4. Name of resource person and details

Name- Prof. Nigraj vinchure

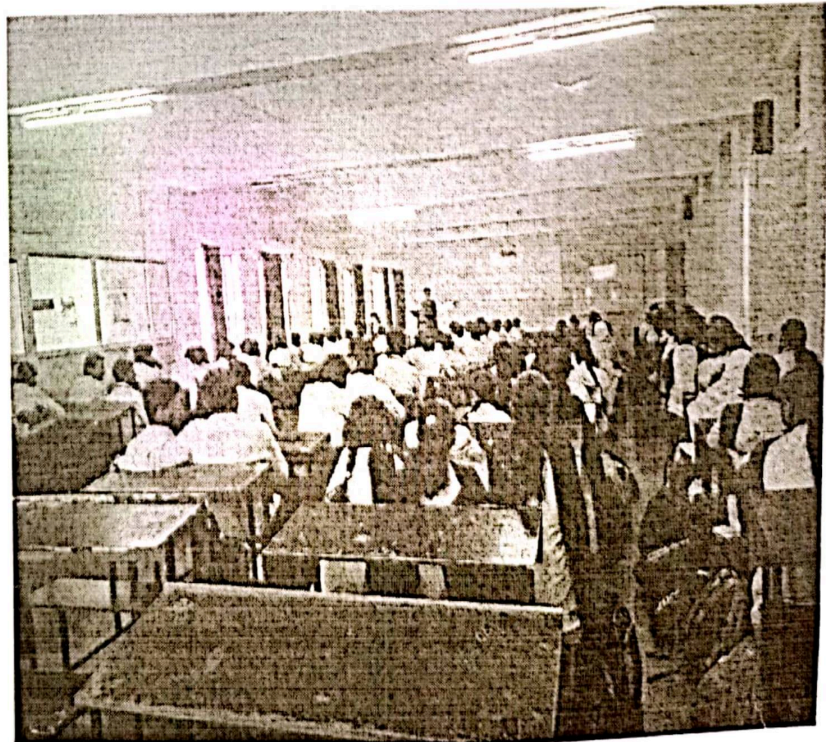

Affiliation- President

Guru for Life Foundation Solapur.

Mobile no- 8805163344/8468834956

Mail Id- ningrajv@gmail.com/guruforlifefoundation2022@gmail.com

5. Session Photograph

IIC Calendar Activities for Academic Year 2022-23

6. Outcomes-

Students and faculty members understood the key features of Youth empowerment such as confidence level, knowledge, stage daring eye contact for start-ups.

7. News and media

Prepared & submitted

Remark

The session was excellent and all the participants got the key Intellectual Property Rights (IPRs) and IP Management for Start-up and its attribute effect on Innovation and entrepreneurship development.

Sub: Thanks letter

Respected Sir,

On behalf of the management, Staff & Students of BMIT, we are thankful to you for your generous contribution in the form of expert lecture. Thank you for the sharing your experience with our students and also for the valuable time spared for us.

The college provide the best academic experience for our students. The replica of work experience is necessary to the students which is valuable to them. Students will remember your thoughts and that will be inspired as they pursue for their future. Your contribution is greatly appreciated.

Same co-operation is expected in future also.

Thanking You,

Yours Faithfully,

& Principal

Sub: Invitation to deliver an expert lecture on "Hybrid Pass."

Respected Sir,

You are aware that rapid technological changes are taking place in the field. The industrial people expect that the engineering students should be aware of these changes. To make our students aware about these changes, we have arranged a series of expert lectures for Electrical Engineering Students. Experts from engineering / science / Industrial Management field are invited for lectures.

As you are requested to deliver expert lecture for "Hybrid Pass" on 02/05/2023, Tuesday at 10:00 pm for our Electrical Engineering Students. Your guidance will be most valuable to our students.

Hope, you will accept the invitation and guide our students.

Thanking you in anticipation.

Respected Sir,

On behalf of the management, Staff & Students of BMIT, we are thankful to you for your generous contribution in the form of expert lecture. Thank you for the sharing your experience with our students and also for the valuable time spared for us.

The college provide the best academic experience for our students. The replica of work experience is necessary to the students which is valuable to them. Students will remember your thoughts and that will be inspired as they pursue for their future. Your contribution is greatly appreciated.

Same co-operation is expected in future also.

Thanking You,

Yours Faithfully,

Subject: - Workshop on "Hands on Experience: Applications of PLC"

Dear Sir/Madam,

With reference to the MoU signed with your institute, we would like to conduct the Workshop on **"Hands on Experience: Applications of PLC"** for approximate 40 students of our Electrical Engineering Department on **10/02/2020 and 11/02/2020**. For this, I request you to depute, a resource person along with necessary technical support.

Our college will pay remuneration of Rs. 400 per student. Accommodation & working lunch will be provided in our campus for resource person.

I kindly request you to acknowledge the schedule and communicate with our co-ordinator Prof. N. N. Shaikh (8999875905) at the earliest.

Regards.

Brahmadevda Mane Institute
 of Technology,
 Solapur
 Accredited by NAAC with “B+” Grade

Two Days Training Program On

“Hands on Experience:
 Applications of Programmable
 Logic Controller (PLC)”

10/02/2020 to 11/02/2020

Organized by

Electrical Engineering Department
 under
 Electrical Engg. Students Association

Brahmadevdada Mane Institute of Technology (BMIT) is established in 2006 and affiliated to Solapur University. It is approved by AICTE, New Delhi and accredited by NAAC with "B+" Grade.

The vision of Institute is to be recognize as centre of excellence for technical education, management education and technology development.

BMIT offers courses like Electrical Engineering, Electronics and Telecommunication Engineering, Mechanical Engineering, Computer Science and Engineering and Master of Business Administration. It is located on Solapur-Mangalwedha - Kolhapur state highway. The institute has excellent infrastructure such as buildings, laboratories, library and other amenities which has created an excellent teaching learning environment. Institute building is spread over 10 acre of land and has built up area of 2 lacs sq. feet. The premise has very nice landscape. The campus is surrounded by large numbers of trees and creepers which creates eco-friendly atmosphere. The institute has excellent facilities such as Library, Canteen, Bus transportation and playgrounds for all games.

BMIT is always pursuing to achieve excellence in creating intellectual leaders and role models for national stream.

BMIT is the only institute who has introduced the Electrical Engineering branch, under Solapur University in 2006. Hence it is one of the oldest department under Solapur University.

Department has highly qualified and experienced faculty members with diverse level of expertise in various specializations such as Control Systems, Power Electronics and Drives, Electrical Power Systems, Microwaves, Signal Processing and Machines.

Department also has 10 well equipped laboratories as per AICTE norms.

In our department we have University Topper student with Gold Medal. We have consistently 100% result and good placement. Department has made and is making huge contribution in syllabus setting for Solapur university, right from inception of branch.

Department has adopted the outcome based education system and making best efforts to produce highly talented and globally acceptable Engineers.

Venue:

**Electrical Engineering Department:
Project Lab & Electrical Software Lab**

1) To enhance the technical competency of basic and application of PLC.

2) To bridge the gap between theory and practical applications in industry.

3) To fulfill the add on course so as to accomplish the Programme Specific Outcome.

Outcomes:

The participant will be able

- 1) To understand basics of PLC
- 2) To understand various types of PLC used in industry.
- 3) To develop the project/application using PLC.

Topics to be covered:

- Allen Bradley PLC.
- Hardware configuration.
- PLC cabling.
- Ladder diagram programming.
- Sensors.
- Program control.
- Applications.

Targeted Participants:

- Electrical, Mechanical, E&TC Diploma & undergraduate Engineering Student

Resource Person:

- 1) Mr. Mahesh Chitale
 - 2) Mr. Shivam Kende
- Automation Engineers,
MPTA, Pune

Proposal for Training

Date: 28th Jan'20

To,

Ms. Nida Shaikh,

Sub: - PLC Training

Dear Madam,

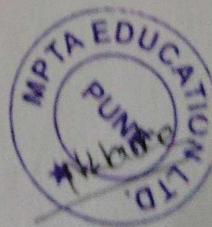

This is with reference to the above mentioned subject. We would like to submit our proposal for the same as below:

Name of the Module:	• Allen Bradley PLC Training Contents are mentioned in ANNEXURE.
Total Duration:	2 Days
Training Dates:	10 th and 11 th Feb'20
Training Timings:	9.30 am to 5 pm
Training Fee:	Rs. 400/- per candidate inclusive of 18% GST (For Min 40 candidates)
Trainer Details	1)Trainer-Mahesh Chitale 2)Assistant Trainer-Shivam Kende

* Training Dates should be confirmed before 10 days of commencement.

We hope the above offer is in line with your requirement.
Awaiting your valuable reply.

Regards,
Mrs Neelam Wadke
7447459257

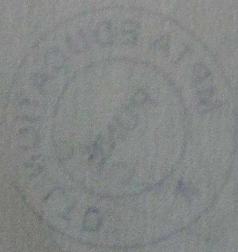

www.mpta.in

ANNEXURE

Allen Bradley PLC

(2 Days)

- **Hardware-**
Allen Bradley Micrologix
- **Software:** RS Logix, RS Linx & etc.
- Hardware detailing & Input/output Addressing
- General & technical specifications of PLC
- PLC cabling
- Programming steps
- Ladder Diagram Programming,
- Driver configuration
- Basic programming functions
- Timer & Counter
- Compare, Move, logical instructions
- Compute/Math Instructions, Timers & counters, design problems using these instructions

Subject : - "One day Workshop on MATLAB & Microcontroller."

Respected Sir,

Ours is an esteemed institute working in the field of engineering education since 2006. To enhance practical learning capabilities for final year diploma students, Electrical Engineering Department is arranging workshop on "One day Workshop on MATLAB & Microcontroller." on 11th Jan 2019.

I request you to send yours students to attend this workshop & take benefit of this.

Date: - 11th Jan 2019

Time: - 9:30am to 4:50pm

Venue: - ESL Lab & Microprocessor Lab, Electrical Engg. Dept.

Thanking you,

(Dr. M. M. Mulkutkar)

Subject: - "One day Workshop on MATLAB & Microcontroller."

Respected Sir,

Ours is an esteemed institute working in the field of engineering education since 2006. To enhance practical learning capabilities for final year diploma students, Electrical Engineering Department is arranging workshop on "One day Workshop on MATLAB & Microcontroller." on 11th Jan 2019.

I request you to send yours students to attend this workshop & take benefit of this.

Date: - 11th Jan 2019

Time: - 9:30am to 4:50pm

Venue: - ESL Lab & Microprocessor Lab, Electrical Engg. Dept.

Thanking you,

Received.

Report of Workshop

Name of Workshop	One day workshop on MATLAB simulation and Microcontroller applications	Date: 11/1/2019
Organized by	Electrical Engineering Department	
Name of resource Person	Prof. N N Shaikh -MATLAB simulation Prof. U A Argonda & Prof. R V Suryawanshi - Microcontroller applications	
Arranged For	Final year diploma students of Brahmdevdada Mane Polytechnic and Moulana Azad Polytechnic	
No. of students attended the workshop	70	

Key Points Discussed:

- Introduction to MATLAB
- MATLAB programming
- MATLAB simulation
- Introduction to Microcontroller
- Microcontroller Programming
- Interfacing of Stepper Motor with microcontroller

Photograph of Lecture:

Dear all,

Under the guidelines of PAHSU, Solapur University, Solapur, Brahmadevdada Mane Institute of Technology, Solapur is organizing a One day Workshop on **"Finalization of TY B.Tech Electrical Engineering content design of syllabus (Part I & II) for B.Tech (Honors) degree"** on behalf of PAHSU University, Solapur, The details of one day workshop is as given below;

Day and Date: Friday, 13/05/2022

Time: 10:00 am

Venue: Electrical Engineering Department, Brahmadevdada Mane Institute of Technology, Solapur

Agenda for workshop is as given below,

- Registration: 10:00 am to 10:30 am
- High Tea : 10:30 am to 10:45 am
- Opening Remarks: 10:45 am to 11:00 am by Principal, BMIT, Prof.P.K.Magadum & Prof.S.G.Shirsikar
- Discussion on Proposed Syllabus: 11:00 am to 1:00 pm
- Concluding Session and Group Photo : 1:00 pm to 1:30 pm
- Lunch 1:30 pm onwards.

You are requested to inform the department coordinator, faculty members and maximum group members to attend the workshop.

Yours and faculties from your department coordination and active participation for the workshop most appreciable.

Best Regards,

Prof.P.K.Magadum

To,
The HRManager
Precision Camshafts Ltd.,
MIDC, Solapur,

Subject: Permission for Industrial visit to your Industry for our T.Y. B.Tech and final year B.Tech engineering students.

Respected Sir,

We are one of the leading engineering colleges at Solapur, Maharashtra and our collage is affiliated to PunyashlokAhilyadeviHolkarSolapur University .As per the requirement given by the University, the students are required to visit and observe the working of the industry as the part of their study. Hence, we are planning the visit of our students to the reputed industries like yours.
We request you to permit our T.Y. B.Tech and final year B.TechElectrical engineering students to visit your industry. The total strength of the students is about 40. Following staff members will accompany with students as per list.

Sr.No.	Name	Contact Number
1	Prof. Chavan R.D.	9511833161

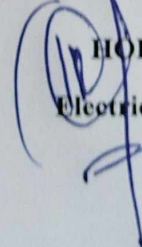

The requested date is 09/10/2023 & time 10.00am onwards. In case the given date is not suitable. From your side, you can allow us on any other suitable date.

Hope you will consider our request and allow us to visit your industry.

We are looking for your kind co-operation.

Thanking you!

Yours faithfully,

HOD

Sub: Thanks letter

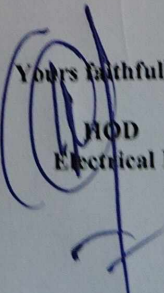

Respected Sir,

On behalf of the management, Staff & Students of BMIT, we are thankful to you for your generous contribution in the exposure of industry environment through this industrial visit. Thank you for the sharing your experience with our students and also for the valuable time spared for us.

The college provide the best academic experience for our students. The replica of work experience is necessary to the students which is valuable to them. Students will remember your thoughts and that will be inspired as they pursue for their future. Your contribution is greatly appreciated.

Same co-operation is expected in future also.

Thanking you,

Yours faithfully,

Date: 07 /03 / 2022

To,
General Manager
Siddhanath Sugar Factory
At. Post. Tirhe, Solapur

Subject: Permission for Industrial visit to your Factory for our SY& TY Electrical engineering students.

Respected Sir,

We are one of the leading engineering colleges at Solapur, Maharashtra and our collage is affiliated to Solapur University. As per the requirement given by the University, the students are required to visit and observe the working of the industry as the part of their study. Hence, we are planning the visit of our students to the reputed industries like yours.

We request you to permit our SY& TY Electrical engineering students to visit your industry. The total strength of the students is about 73. Following four staff members will accompany with students as per list.

Sr.No.	Name	Contact Number
1	Prof. Magadam P. K.	9321093310
2	Prof. Shaikh N. N.	8999875905

The requested date is 09/03/2022 & time 1.00pm onwards. In case the given date is not suitable. From your side, you can allow us on any other suitable date.

Hope you will consider our request and allow us to visit your industry.

We are looking for your kind co-operation.

Thanking you.

Sub: Thanks letter

Respected Sir,

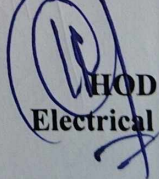

On behalf of the management, Staff & Students of BMIT, we are thankful to you for your generous contribution in the exposure of knowledge related to power plant through this industrial visit. Thank you for the sharing your experience with our students and also for the valuable time spared for us.

The college provide the best academic experience for our students. The replica of work experience is necessary to the students which is valuable to them. Students will remember your thoughts and that will be inspired as they pursue for their future. Your contribution is greatly appreciated.

Same co-operation is expected in future also.

Thanking You,

Yours Faithfully,

Respected Sir,

On behalf of the management, Staff & Students of BMIT, we are thankful to you for your generous contribution in the exposure of industry environment through this industrial visit. Thank you for the sharing your experience with our students and also for the valuable time spared for us.

The college provide the best academic experience for our students. The replica of work experience is necessary to the students which is valuable to them. Students will remember your thoughts and that will be inspired as they pursue for their future. Your contribution is greatly appreciated.

Same co-operation is expected in future also.

Thanking You,

Yours Faithfully,

Ref. No. BMIT/18-19/88

Date : 10 / 09 / 2018

To,
H. R. Manager
Kirloskar Ferrous Industries Ltd.
Hotgi Road,
Solapur

Subject: Permission of Industrial visit to your company for our SE, TE and BE Engineering students.

Respected Sir,

We are one of the leading engineering college at Solapur, Maharashtra and our collage is affiliated to Solapur University. As per the requirement given by the University, the students are required to visit and observe the working of the industry as the part of their study. Hence, we are planning the visit of our students to the reputed industries like yours.

We request you to permit our SE, TE and BE Electrical Engineering students to visit your industry. The total strength of the students is about 80. Following staff members will accompany with students as per list.

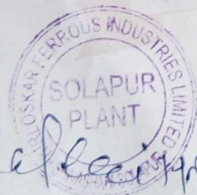

Sr.No.	Name	Contact Number
1	Prof. P. V. Modak	9881700311
2	Prof. K. S. Rampur	7414936121

The requested date is 12/09/2018. In case the given date is not suitable. From your side, you can allow us on any other suitable date.

Hope you will consider our request and allow us to visit your industry.

We are looking for your kind co-operation.

Thanking you.

Handwritten signature of Dr. M.M. Mulkutkar

Yours faithfully,

(Dr. M.M. Mulkutkar)
