

4.2.1 Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students.

The library is the heart of all academic activities of the Institute. Students are motivated to make the best use of library facilities to promote affinity towards reading and learning which are vital for the holistic development of the students. The built-up area of the library is 507 sq. mtr. Separate reading facility are provided for Staff, boys, girls, and Research scholars. The library has different sections like a new arrival section, stacking area, circulation section, reference section, Periodical and Journal section, Digital library section and reading rooms.

The library holds a rich collection of 22318 book volumes comprising 3466 book titles in the stacking area. In the reference section, there are 1445 reference books, and 36 national journals and e-journals are made available for the users. The library provides a book-bank facility to all First Year to Final Year students. In addition to this, the library has very good book collections for competitive examination, personality development, entrepreneurship, communication, and managerial skill books. BMIT library is also proactive in reaching to students for online education during Covid pandemic. Delnet for eBooks is also made available to the students. Automation Using ILMS: The library is partially automated using Eduplus Campus LMS software. The library provides a single-window search and Web-OPAC service which can help the user to search the required books. The barcode system is also implemented for the books in the library.
