

Kai. Amdar Brahmdevdada Mane Shikshan Va Samajik Prathishthan, Belati Sanchalit
BRAHMDEV DADA MANE INSTITUTE OF TECHNOLOGY, SOLAPUR

Solapur-Mangalwedha-Kolhapur State Highway, Belati - 413 002, Tal. North Solapur, Dist. Solapur (Maharashtra).

*Website: <http://bmitsolapur.org> *Email: bmit@bmssp.org

Approved by AICTE, New Delhi, DTE and Govt. of Maharashtra,
 Affiliated to Punyashlok Ahilyadevi Holkar Solapur University, Solapur

DTE Institute Code: EN6293 / MB6293

Accredited by National Assessment and Accreditation Council, Bangalore (NAAC)

Brahmdevdada Mane Institute of Technology, Solapur

Vision

- To be recognized as the Centre of Excellence for Technical Education, Management Education and Technology Development.

Mission

- Develop the students in academic excellence and professional knowledge with ethical leadership so that they are ready to use for Society.
- Provide the solutions for the industrial problems and contribute to technical knowledge on continuous basis.

Program Outcomes :
 Engineering Graduates will be able to:

1. **Engineering knowledge:** Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization for the solution of complex engineering problems.
2. **Problem analysis:** Identify, formulate, research literature, and analyse complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.
3. **Design/development of solutions:** Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for public health and safety, and cultural, societal, and environmental considerations.
4. **Conduct investigations of complex problems:** Use research based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.
5. **Modern tool usage:** Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools, including prediction and modeling to complex engineering activities, with an understanding of the limitations.
6. **The engineer and society:** Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal, and cultural issues and the consequent responsibilities relevant to the professional engineering practice.
7. **Environment and sustainability:** Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
8. **Ethics:** Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.
9. **Individual and team work:** Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
10. **Communication:** Communicate effectively on complex engineering activities with the engineering community and with the society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.
11. **Project management and finance:** Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.
12. **Life long learning:** Recognize the need for, and have the preparation and ability to engage in independent and life long learning in the broadest context of technological change.

Institutional preparedness for NEP

Multidisciplinary/interdisciplinary:

BMIT Institute is affiliated to Punyashlok Ahilyadevi Holkar Solapur University Solapur (PAHSUS), Solapur. The University has started making its curriculum multidisciplinary and interdisciplinary by incorporating AICTE's model curriculum having 18% weightage to open electives from other technical and/or emerging subjects. From current academic year the Curriculum as per NEP 2020 has been implemented for First year classes by PAHSUS, Solapur.

Academic bank of credits (ABC):

BMIT College Solapur is affiliated with Punyashlok Ahilyadevi Holkar University, Solapur (PAHSUS). The curriculum given by University follows the Choice Based Credit System (CBCS) pattern which includes sufficient scope for self-learning subjects, open electives, and professional elective subjects. PAHSUS offers Honors degrees in addition to a regular full-time degree course. As the curriculum prescribed by University is in line with the New Education Policy (NEP) and credit system structure of UGC. All the students of the institute have registered for the Academic bank of credits portal as per the guidelines provided by University.

Skill development:

The Institute is located in Tier-II/ III city, Solapur. Many students come from vernacular medium. Grooming the students in core skills and soft skills are essential to enhance the employability of the students. The Institute has identified this need since inception and introduced soft skill as a subject over and above the affiliating University curriculum, the institute initiated Various skill development programs through Training and Placement cell. Students are encouraged to participate in various skill development activities that results in knowledge, certifications and employment.

Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course):

The curriculum prescribed by the affiliating university has the subject on Indian knowledge system as "Universal Human Values" as recommended in the AICTE model curriculum. Institute always encourages the students to participate in cultural activities and Institute Magazine. The cultural program and magazine consist of events and articles related to Indian Languages and culture. Cultural activities such as "Tarang" is celebrated on every year annual day consist of Street play in regional languages to give a noble message to the society representing patriotism, integrity, cultural heritage etc.

Focus on Outcome based education (OBE):

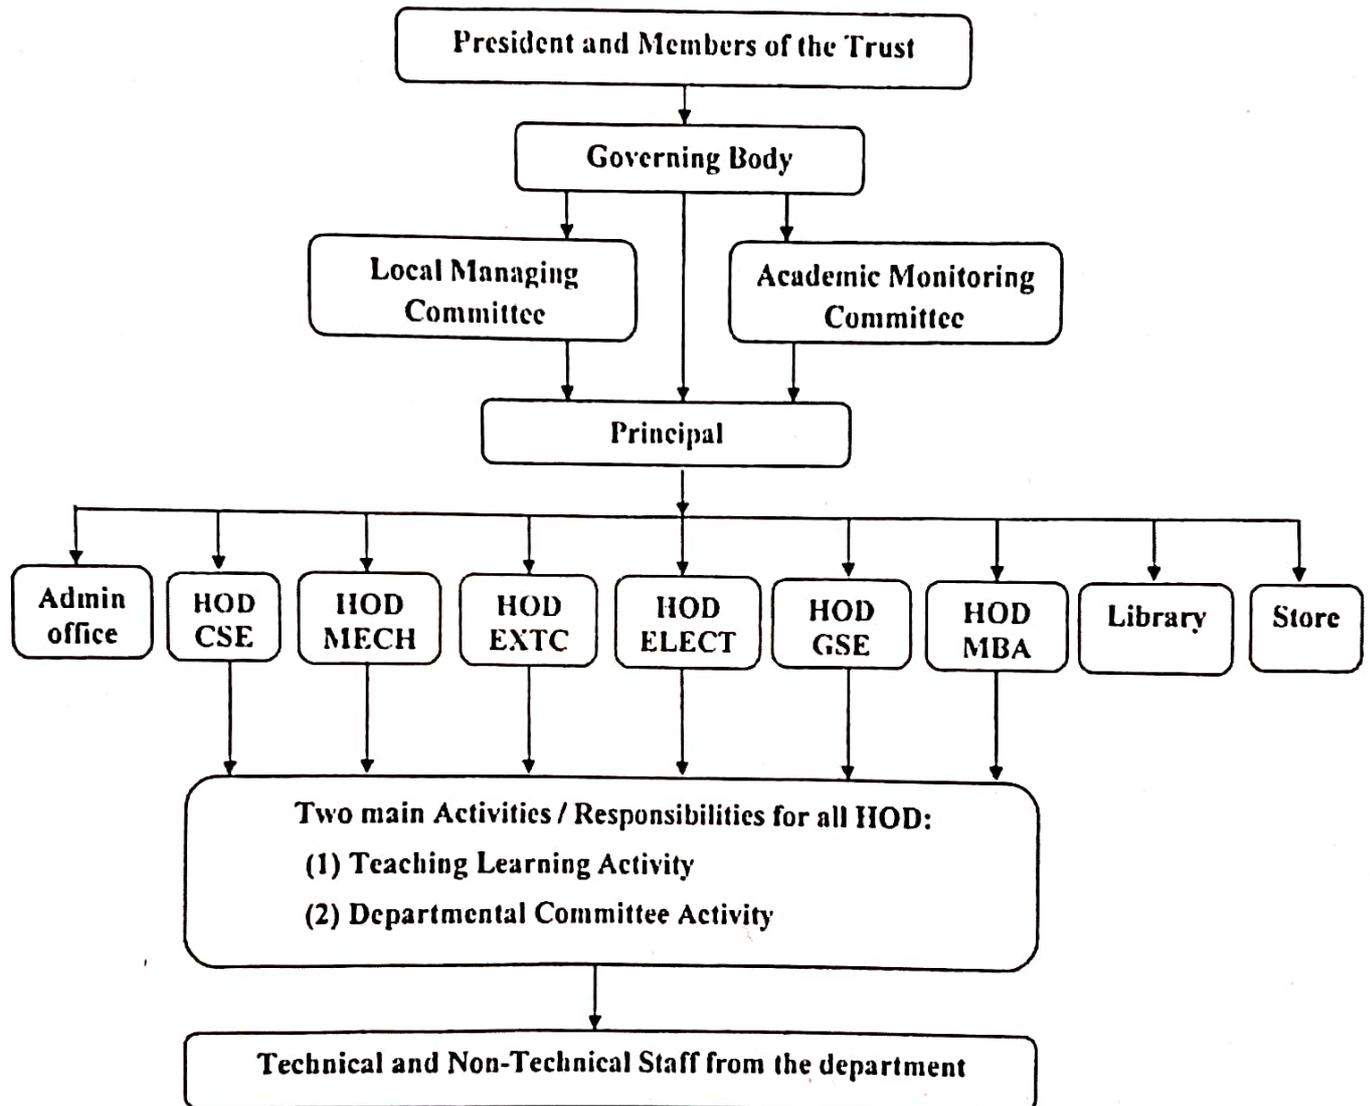

The Institute is taking well planned steps to transform its curriculum towards outcome based education (OBE) The students are made aware of Program Outcomes (POS) during their course orientation in the beginning of every semester. Relevant Course Outcomes (COS) are explained to the students by the course co-ordinators while teaching. While implementing outcome based education at departmental level the question papers of test and midsem examination questions are mapped with relevant course outcome (COS) and blooms taxonomy levels. Institute is trying to incorporate project based learning wherever possible. Faculty members are encouraged to design their own pedagogical approaches. Assignments and assessments are designed to map with Course Outcomes (CO's) and Blooms taxonomy levels

Distance education/online education:

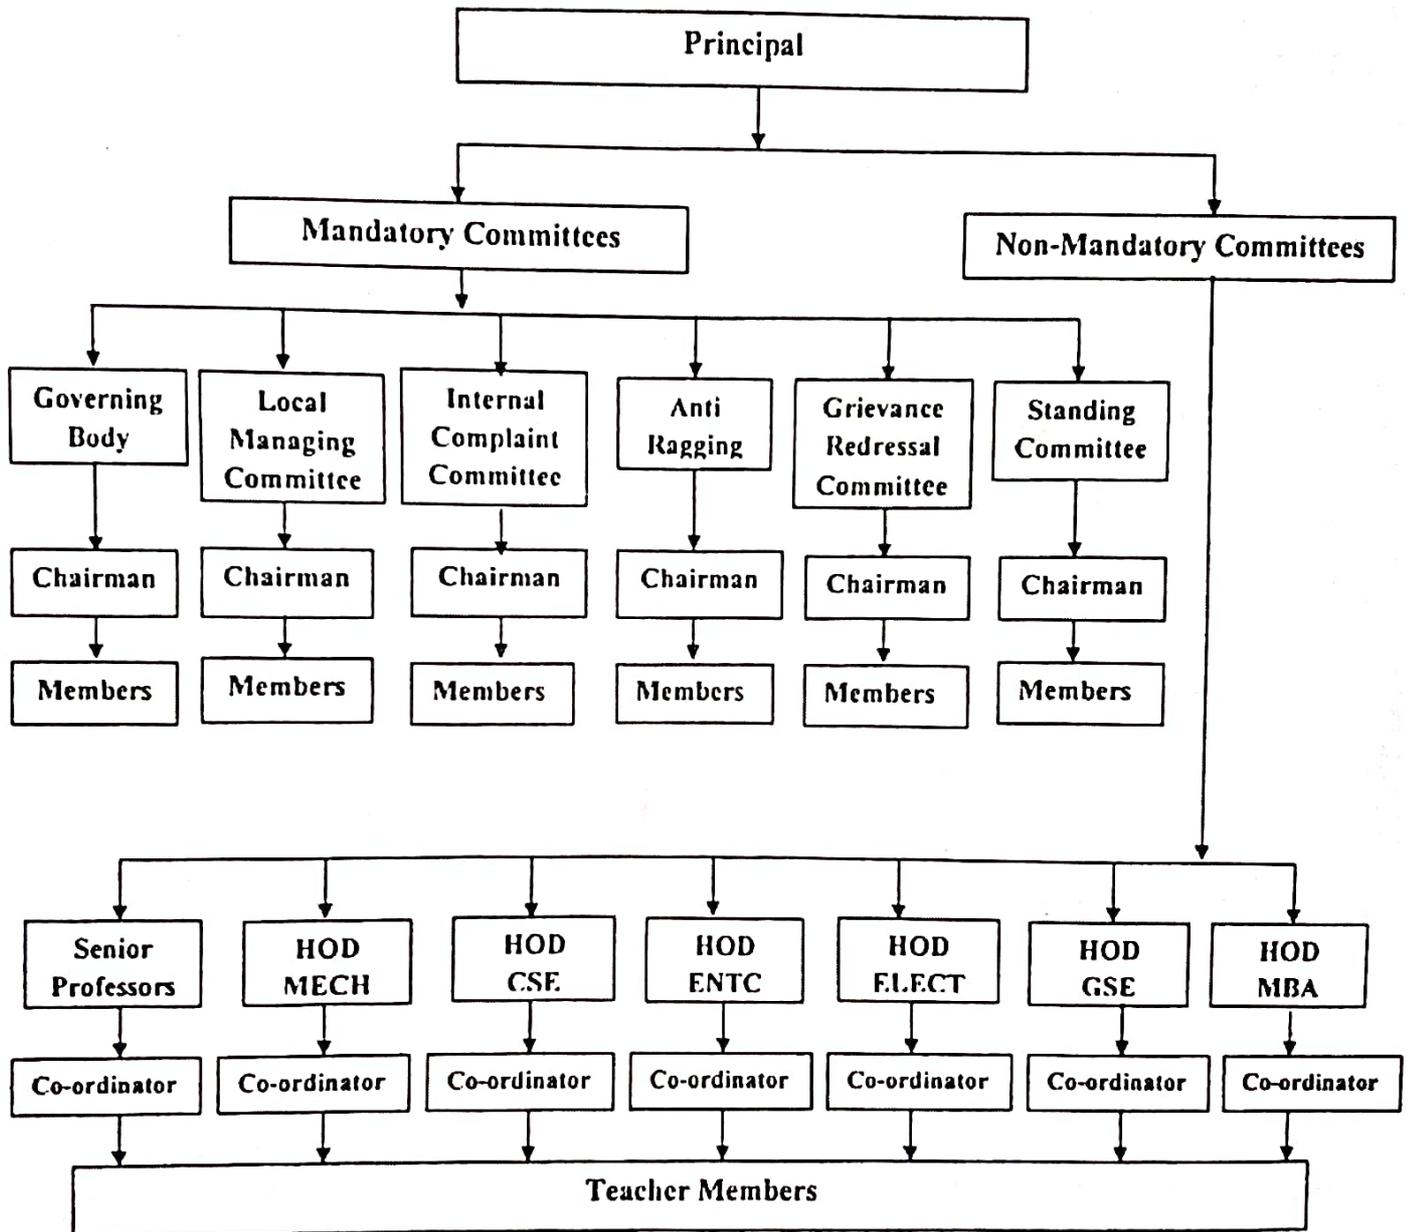

The institute participated extensively in MOOCs through NPTEL courses since 2017. Students and faculty are encouraged to complete various certification courses offered by SWAYAM/NPTEL/Coursera/EDX/Infosys Springboard. Students are offered the flexibility to complete one elective course through NPTEL. During the COVID-19 pandemic period, the institute adopted online education and implemented it successfully. Faculty members used ZOOM, Google Meet, Microsoft Team platforms for online lectures and interaction with students. Many seminars, webinars, conference series and invited talks are conducted in online mode. Institute has created a separate server for MOODLE platform where faculty members keep the study material, reference book, MCQs, ISE and ICA assignments and recorded video lectures for the student reference. Faculty members conduct quizzes and online tests which have kept weightage in term work as well as in-semester evaluation.

DECENTRALIZATION OF AUTHORITIES & RESPONSIBILITIES FOR BMIT VICHARMANTHAN – Case study.

PRINCIPAL

Kai. Amdar Brahmdevdada Mane Shikshan Va Samajik Prathishthan, Belati Sanchalit
BRAHMDEV DADA MANE INSTITUTE OF TECHNOLOGY, SOLAPUR

Solapur-Mangalwedha-Kolhapur State Highway, Belati - 413 002, Tal. North Solapur, Dist. Solapur (Maharashtra).

*Website: <http://bmitsolapur.org> *Email: bmit@bmssp.org

Approved by AICTE, New Delhi, DTE and Govt. of Maharashtra,
Affiliated to Punyashlok Ahilyadevi Holkar Solapur University, Solapur

DTE Institute Code: EN6293 / MB6293

Accredited by National Assessment and Accreditation Council, Bangalore (NAAC)

Short Term Perspective Plan:

1. Enhancing infrastructure to support research and incubation
2. Enhancing teachers' skills and qualification.
3. Increasing green initiatives in the campus.
4. Upgrading NAAC Accreditation grade.
5. Increasing MoUs to fulfill the requirements of NEP.
6. Forming cluster for use of sophisticated equipments.
7. To be a center of excellence and development
8. To develop human Values

Long Term Perspective Plan:

- 1 Creating centre of excellence in each discipline
2. Obtaining NBA accreditation
3. Starting Ph.D. programs in each discipline
4. Getting Autonomous status for the Institute
5. Obtaining NIRF ranking
6. Fetching funding from Government/Non Government Organizations
7. Getting ISO Certification
